## Why Yeager Middle School?

“Yeager has a close knit atmosphere where all students feel safe, respected, and valued.

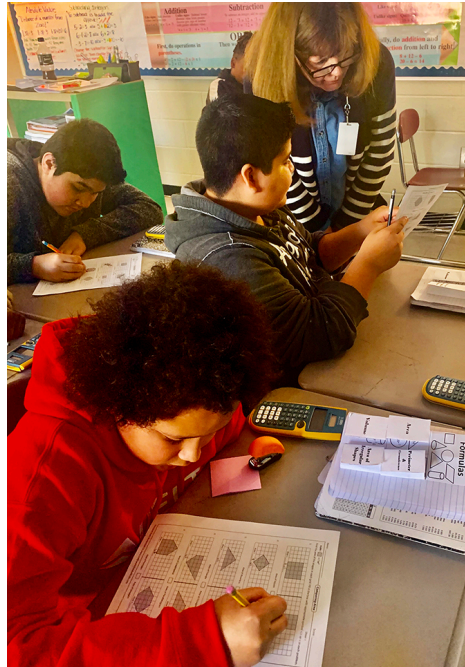

My daughter experienced a smooth transition coming from elementary school. This was due to the love that was shown to her by Yeager’s faculty and staff. Yeager’s high expectations for students have led her to fully excel in her education.”

“Both of my children love Yeager! Both have grown multiple grade levels in reading and math. I give all the credit to the wonderful teachers.”

-Yeager Middle School Parent

## Achievements

- ◇ Accelerated Math and Algebra I

- ◇ Perennial Math Competition Winners (2nd Place)
- ◇ 2021-2022 DCSS TOTY Semifinalist, Colette Bell

## Inside the Classroom

Yeager is excited to boast about their experienced and dedicated teachers who continuously strive for greatness by exemplifying a nurturing environment within the classroom through establishing and building relationships with the students. Within this environment, YMS students are challenged daily with differentiated and rigorous learning. Upon walking into any classroom, one can see amazing, hands-on lessons with technology integration and real-world connections. The students are engaged and confident in knowing that they are being prepared with the appropriate skills for the 21st Century and beyond.

To guarantee achievement for ALL students, teachers disaggregate their data and plan instruction to make sure the needs of all students are met. Yeager teachers provide data-driven remediation and acceleration for students within small and large group settings. Yeager takes pride in the abundant offering of advanced classes. Through data-driven instruction, team/department collaboration, and a shared vision of what makes a Yeager Mustang, Yeager ensures that upon the students’ exit from high school, they are well-rounded individuals who have internal confidence and skills that will make them successful citizens. Classrooms, truly, are “Greater at Yeager!”

## Our Mission

To provide a quality education for all students in a safe, supportive environment.

## Our Vision

To build a community of lifelong learners that become responsible individuals, individual thinkers, and productive citizens who are culturally competent and successful.

## Our Motto

Be Greater at Yeager!

## Principal's Message

*We have a very special place at YMS. Here, we are family. We have high, yet reasonable expectations for our students. The teachers work hard to achieve success for all students.*

-Principal Jaslyn Dukes

## Beyond the Classroom

Yeager Middle School diligently works to teach to the “whole” child by making all students feel valued. Every morning during announcements, YMS students hear and recite the Mustang Magic Motto. YMS teaches students to take pride in their school and community.

Yeager continuously rewards excellence in all areas. Students and teachers are highlighted for their progress and success during announcements on a regular basis. Students are able to redeem points for positive behavior at Mustang Market. We have several school-wide dress up days to celebrate our students and staff! We offer many field trip learning opportunities for our students as well. At Yeager Middle School, we want all of our students to understand the world and people around us. We acknowledge Hispanic Heritage Month, African American History Month, and take part in many other cultural activities.

Our school-wide goal is to include literacy during instruction across contents. Teachers work really hard to make learning effective and fun.

Yeager Middle School offers chorus, band, Spanish, Beta Club, Tome Reading Club, Math Team, Student Council, Boy Scouts, Girl Scouts, Sewing Club, Cooking Club, Gardening Club, Dance club, Advanced Art Club, STEM Club, and much more!
