Family Engagement

Part 1: We are better together.

- Families are learning partners to support students' literacy development.
- The goal is to support learning at school and at home.
- Lexia provides resources to support learning at home.

Part 2: Lexia's Adaptive Blended Learning Model

- Adaptive, personalized instruction
- Real-time data and reporting for educators to drive instructional priorities
- Resources for teachers, students, and parents that foster offline personalized learning

Part 3: Instructional Materials

Teacher and Student Led

- o Lexia Lessons®
- o Lexia Skill Builders®
- o Lexia® Connections (for Core5 only)
- o Lexia® Anchor Charts (for PowerUp only)

Parent and Student Led

- o At-Home Activities
- o Student Choice Boards
- o Home Activity Sheets

Part 4: How can you support your child at home?

- Provide a headset or earbuds to help them focus.
- Provide a quiet space free of distractions.
- Allow your child to work independently; do not provide assistance with the Auto Placement or online learning activities.
- Create opportunities for your child to spend time in the online program.
- Encourage your child to discuss their progress and set personal goals.
- Celebrate success with achievement charts and certificates!

Part 5: Ongoing Support
